

## **Request for Quote – kitchen electrical upgrade**

### **Introduction**

North Glenora community league is looking to upgrade the kitchen electrical of the main hall. The hall is located at 13535 – 109A Avenue, Edmonton, AB T5M 3Z4. If you require access to the hall email Frank at [ngcl.buildings@gmail.com](mailto:ngcl.buildings@gmail.com) to arrange a time to see inside.

### **Details:**

Install 3 outlets along wall just outside the kitchen as part of a 20 Amp circuit. The current setup trips breakers when microwave and coffee maker are operated. Two 15 A receptacles already exist that can be repurposed.

Install a receptacle high on the east wall in the kitchen to plug in the Wi-Fi router.

Install GFCI breakers for kitchen outlets.

Inspect electrical in kitchen and ensure that it meets current code. Provide a written document on recommended upgrades and improvements.

Pull Electrical Permit to do work

Electrical drawings are available on request.

### **Quote Requirements:**

Quote must be in electronic format. [ngcl.buildings@gmail.com](mailto:ngcl.buildings@gmail.com) Submit material and estimated permit costs as separate line items in quote. The provision of a quote does not create any contractual relationship, and the NGCL is not obligated to accept the lowest or any other quote. NGCL may or may not enter negotiations to form a contract with the provider of any quote to do the work described in this Request for Quote.

**Deadline for submission: 5 PM, May 8, 2017**
