

ACING Stories **Block 5 Party a Hit**

What brings together a tool-sharpening specialist and a paramedic? No, not a horrible freak accident... a block party! Block 5 had our first block party in August. We were a small but mighty group. We enjoyed some snacks including s'mores (thanks to Michelle and Ryan Young for lending us their fire pit!). The savoury s'mores, made with fire-roasted cheese, were a big hit.

It was great to have a reason to get together and get to know each other better. We were a fairly well-travelled group and swapped travel stories and plans. We met the newest resident of our block (3 months old!). Our family even acquired a new kid for a few hours after the party ended (Jordan who is the same age as my daughter but whom we had not met before). Thanks to the neighbours who came out! We hope to do it again in the spring.
