# **HARVEST SHARE**

**Do you have extra vegetables & fruit from your garden to share?**

**Starts Saturday, July 30th until Saturday, September 24th – any time before 12:00 noon.**

NGSC (North Glenora Sustainability Committee) will be collecting excess backyard produce to share throughout the neighbourhood!

Place what you would like to share in the cooler outside the Community Hall each Saturday before 12:00 noon. Produce will be washed and bundled to be shared with neighbours who have little to no gardening space.
