Happy reading!

Land Acknowledgment

North Glenora is located on Treaty 6 territory – the ancestral lands of the Cree, Saulteaux, Blackfoot, Metis, Dene, Nakota Sioux, Inuit, and other Indigenous peoples. We respectfully acknowledge the relationships established by this Treaty and are committed to honouring its principles. We humbly accept our responsibility as stewards of this land.

Together we will foster a community that understands our past, creates a sense of belonging, and strengthens supportive relationships with each other and the land.

WOW – DID THE SUMMER GO BY QUICKLY!

As the evening light starts earlier and temperatures softly drop, I have to appreciate that we are turning the corner from summer into fall.

I also have to face that at least 2 yard projects I planned to complete this summer just didn't happen. But I did enjoy meeting all of the dogs taking a drink from the water bowl at the end of my walk and their owners. And listening to the lively squirrels bounding from one branch to the other - crossing the street on overlapping elm trees.

One project that did complete was the installation and planting of the **Teaching Garden** in front of Coronation School. Thanks to **Emily Holden** for her leadership to bring this idea to fruition and Alberta EcoTrust for funding the project. Also thanks to **Erin Olefedt** and **Alex Watson** on the NGCL Sustainability committee for stewarding this idea. And thanks to the many volunteers who showed up, shovelled, raked and carried away sod. One Saturday morning, as I raked mulch on the site, I overheard one of our many youth volunteers say, "This is just so satisfying!"

I also want to say thank you to Board members who stepped down this summer – moving on to new homes or to family commitments – **Heather M** for her excellent guidance on communications; **Emily H** for her crucial work as a grants director and **Zoe L** for her energy as activity director. We will be putting out calls for volunteers this fall – please contact me at president@northglenora.org if you are interested in learning more.

I really enjoyed getting the first of 2 sources of funding to start our Hall Retrofit project. We will be focused on setting up the scope and design for the project in the next couple of months.

Mark your calendars for **Community Day September 20th** – bring a picnic lunch and stay for games, crafts, sign up for your free community league membership and learn more about what our community league brings to you for programs and ways to get involved in your community.

Cheryl Whitelaw President, North Glenora Community League
president@northglenora.org

NORTH GLENORA BITS & BOBS

JOIN US FOR COMMUNITY LEAGUE DAY SATURDAY SEPTEMBER 20 11 AM TO 3 PM, NORTH GLENORA COMMUNITY HALL

- Bring your own picnic lunch and get free drinks and sweet treats.
- Play games and make crafts – you can get your free community league membership for 2025/2026.
- Learn about league programs and benefits of your community league membership.
- Take a garden tour.
- Learn more about our community's history and about our future Hall energy retrofit project.
- Get your car seat checked for safety (weather permitting).
- Meet your neighbors and community league board members.
- Tell us what you would like to see in your community.

We create intentional community each time we connect – come out and grow our community!
activities@northglenora.org.

SCHOOLYARD GARDEN & OUTDOOR CLASSROOM UPDATE

The Outdoor Classroom has been completed and is ready for use by our Coronation Students this Fall!

And a **huge thank you** to those volunteers who donated their time and energy to establishing the schoolyard garden in June and July. The garden has taken longer than anticipated to complete, due to weather delays and volunteer vacation time in these summer months, but it is well underway and looks amazing so far! **Thank you volunteers!**

If you'd like to get involved – watering and weeding will be required until the snow falls. Please contact sustainability@northglenora.org.

NORTH GLENORA BITS & BOBS

VILLAGE GREEN

The Green Way is the Old Way

Sometimes the most sustainable ideas are the ones we already know.

Before “sustainability” was a buzzword, it was just life. Ask any grandparent or longtime Edmontonian and you’ll hear stories of patching socks, saving pickle jars, growing food in backyard gardens, and making do instead of throwing out. These weren’t radical acts — they were just part of daily life.

Today, we’re seeing a quiet return to these old-school habits. And here in North Glenora and across Edmonton, our community is full of ways to make that shift feel easy, accessible — and even fun.

Here are just a few examples of how you can reconnect with those timeless, practical habits — right here in our city:

Fix It Instead of Tossing It

Got a shirt with a rip or a coat missing a button? The **Clothing Repair Café**, hosted by the **University of Alberta’s Faculty of Human Ecology**, invites people of all sewing levels to come repair clothing together. They provide the tools, sewing machines, and guidance — you bring your items and curiosity. hecolrepaircafe.ca

Borrow, Don’t Buy

Need a power drill, a jigsaw, or a pressure washer — but don’t want to buy one? The **Edmonton Tool Library** has hundreds of tools you can borrow, just like books. It’s perfect for occasional DIY-ers, renters, or folks looking to save space and money. <https://edmontontoollibrary.weebly.com>

Makerspace Magic

Even our public libraries are getting in on the sustainability action! The **Edmonton Public Library Makerspaces** are free-to-use creative labs, complete with tools for sewing, 3D printing, and even electronics repair. Our own city councillor **Andrew Knack** recently used it to fix a household item rather than toss it out.

<https://www.epl.ca/makerspace/>

Do you have a story about mending, fixing, or reusing something? We’d love to hear it! Send it in to sustainability@northglenora.org — maybe we’ll feature your story in a future issue.

MEMBERSHIP DRIVE VOLUNTEERS NEEDED

The North Glenora Community League (NGCL) is looking for friendly volunteers to help with our annual membership drive this September. Every resident gets a free membership (if desired)—and we need your help to make this possible! It's a fun way to meet neighbours and support your community.

What's involved?

A flexible, 3–6 hour time commitment:

- Quick orientation + pick-up of materials (late August)
- Visit homes on your assigned block (September)
- Return completed forms and donations (late September)

Interested or curious?

PLANNING & TRANSPORTATION

EPCOR RAINWISE PROGRAM

A three-year pilot program that makes it easier and more affordable for Edmonton residents to protect their properties from flooding and reduce flood risk in the community through effective stormwater management.

If you are a property owner or renter in Edmonton, you are eligible for rebates from EPCOR on projects that help manage stormwater on your property.

Apply for a stormwater rebate through the [RainWise Rebate Program](#) for projects that can help reduce the risk of your property flooding during a major rainstorm event.

Rebates are available for projects that help:

- Reduce the quantity of stormwater entering the collection system.
- Improve the quality of stormwater released into the collection system.
- Prevent overland runoff and sewage from entering homes and businesses.

New Developments

- 6 up and 5 Basements = 11 units
11024 – 133 St
